## JUNE 16TH ARTWALK SEASON FINALE

### Host Registration

Host location registration is available to any business or non-profit organization in Moscow. The Artwalk Season Finale brings thousands of people to the streets of Moscow, and hosts are invited to connect with the biggest Artwalk audience of the year.

### Food/Beverage Vendor Booths

Booth spaces are available for food, non-alcoholic beverage, and beer or wine vendors; business or non-profit organizational outreach; and entities with a brick-and-mortar location outside the Main Street corridor. No more than five beer and wine vendor registrations will be included in the on-street event footprint, so these participants are encouraged to reserve space early.

### Art Vendor/Demonstrator Booths

Booth spaces are available for arts-focused activities presented by individual artists; art clubs and collectives; educational programs, business, or non-profits; organizations with a brick-and-mortar location outside the Main Street corridor. New to the street fair this year is Kidwalk, a section of the street fair created for children and families. Art Vendor/Demonstrators will have the opportunity to indicate a preference for being placed in the Kidwalk section of the Artwalk Season Finale.
